Ten points to making this country great

1. Have a dream or vision that encompasses not just you, but our planet.
2. Never get swayed from that dream.

Ten points to making this country great

3. Being in New Zealand is a great advantage. You need never be scared of taking a risk.
4. New Zealand is about independence, innovation and intuition.

Ten points to making this country great

5. Honour separates the
greats from the also-rans.
6. Always look for win–win
relationships.

Ten points to making this country great

7. When you care more about money, rivalry or documents, take a chill pill.

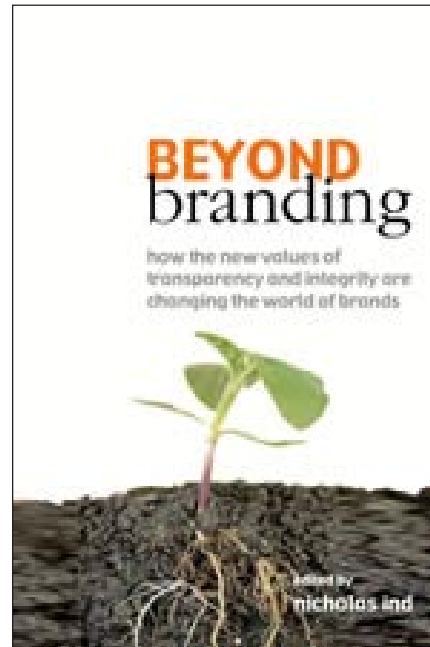

Ten points to making this country great

8. Having international standards is not being wanky.
9. Let us restore our unity of purpose.

Ten points to making this country great

10. Love life.
